IN MEMORY OF FR. CANNON

DEDICATION

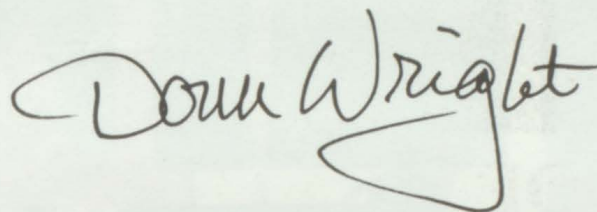

The 1986 edition of *The Owl* is dedicated to the memory of The Rev. Henry Brevoort Cannon. Fr. Cannon was a student here under our founder, Dr. Tibbits. He later served on Hoosac's Board of Trustees, for many years as Chairman. Fr. Cannon was acting headmaster of the school in 1966 and in 1970 moved on campus to be Rector. Throughout his many years of dedication to Hoosac and its students, he stood as an uncompromising strong moral force. Fr. Cannon will remain a significant figure in the history of the school.

HEAD- MASTER'S GREETING

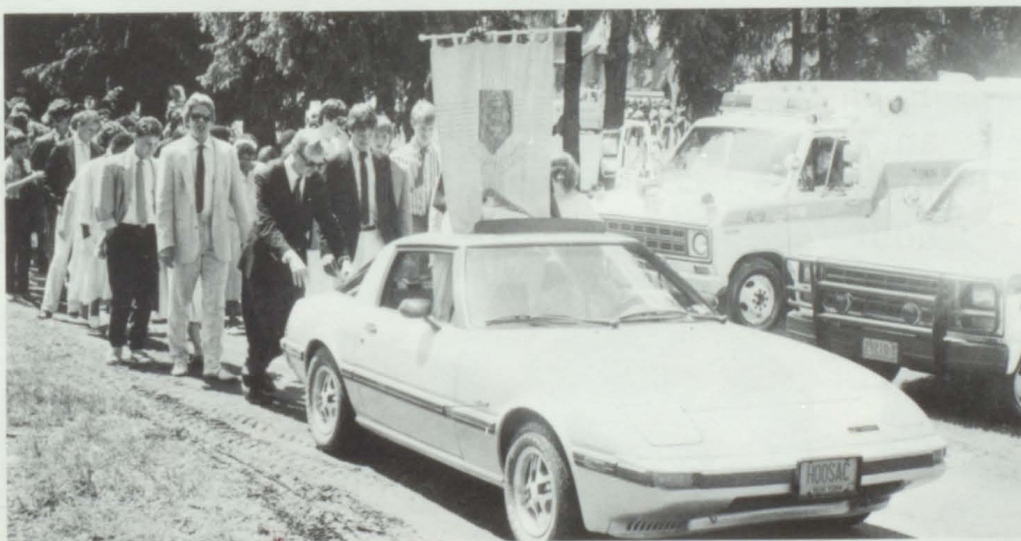

Dear Class of 1986,

Thank you for all you did to make your Sixth Form year a successful one for Hoosac as well as for yourselves. Most of you sensed that your school is on the move towards a more distinguished reputation than ever. You are going to be more and more proud of the fact that Hoosac is your school as the years pass. I hope that in your status as alumni, you will participate in our healthy climb towards greater service to American education and to mankind in whatever way suits you.

Mrs. Wright and I wish for your happiness and a beautiful life ahead. Come and visit us when you can. We want to hear from you and about you. You and more than one thousand other fine people are Hoosac. I love you,

Donn Wright, Headmaster

I would like to remember everything that has had a positive effect upon me. I would like to forget and learn from everything that has had a negative effect on my life here at Hoosac. I would especially like to remember all the time I spent with Stephanie. You are a great person.

I did not begin when I was born nor when I was conceived. I have been growing, developing, through incalculable myriads of millennia. I am here now to do what I have to do to succeed. Determination and a few friends are all I need to go the distance.

“Talk the simple smile
Such Platonic eye
How we drown in incomplete capacity
Strangest of them all
When the theory calls
How we drown in stylistic capacity
Charge the common ground
Round and round and round
We live in the codacity
Shake we shake so hard
How we laugh so loud
When we reach, we believe in eternity.”

"Steph"

There have been times when my life has fallen apart. But my friends were always there to help me come back stronger and more self-confident. There have been times when we were having so much fun I never wanted it to end. But since everything must come to an end, we'll always have those memories.

Dad, I especially want to thank you. You never gave up on me or let me down. Sometimes we yelled, sometimes we cried, and sometimes we laughed. Through the good and the bad, we've only become closer. I LOVE YOU!

Your daughter,
Stephanie

Form VI: Soccer, Ski Team, Softball, Owlet.

Remember the Whitcomb girls: KB, CH, JF, WP, SZ, and VW. JF, remember the water fights, the long talks, the garbage can? Nicki, don't forget Florida. It was fun. Even the 29 hours on the train. Bill, you're the best thing that has ever happened to me. You gave me the incentive to try harder at whatever I do.

Dare to do what you dream, Search your heart to know what you most desire to do; then do it, for you can become by perseverance what you long to be.

SENIOR-FACULTY SWITCH DAY AND HALLOWEEN

HOOSAC SPORTS ON THE RISE

With the addition of two new girls' teams and various other sports options, this year's athletic program leaped to a higher point than ever before. Although the new girls' soccer team did not win a game, the season ended with a bang — Sarah Muckerman and Courtney Robinson scored the first two goals of the season in the middle of the last game.

The boys' soccer team's winning season brought them to the playoffs while basketball players made it to the semi-finals. The newly formed girls' softball team just missed making the playoffs while baseball players made it to the semi-finals only to lose against DeSisto, 11-10. The Lacrosse team, although not claiming any wins, did play with determination and spirit.

I said a Prayer For You Today

I said a prayer for you today
And know God must have heard—
I felt the answer in my heart
Although He spoke no word!
I didn't ask for wealth or fame
(I knew you wouldn't mind)—
I asked Him to send treasures
Of a far more lasting kind!
I asked that He'd be near you
At the start of each new day
To grant you health and blessings
And friends to share your way!
I asked for happiness for you
In all things great and small—
But it was for His loving care
I prayed the most of all!
