I leave this poem to all Hoosac students and faculty —

Silence

When there's silence, friends need not speak,
It's understood, die I would
And when there's silence, cultures appear as one,
Colors bloomed, My brother I heard,
When there's silence, meanings all seem clean
Distractions unknown, uniformly alone,
And when there's silence, love has no hurt
Dispain cannot live, words take, I give
The sound of no sound, Is the most deafening of all
The feeling of no feeling, is the most painful of all
And yet we must endure, for I do now,
And forever shall, love all things that are real,
Even when silence is broken.

To Mom and Dad: Thanks for all your support. There's not enough paper in the world to thank you for all you've done.

Love,
Len

"I'm lazy as a lion
Crazy for you
I'm sneaky as a snake
I'm dirty as a dog
I'm faithful as a swan
I'm darker than a bat
I'm friendly as a bear
And tougher than a rat
No matter what you say
No matter what you do
I'm restless as a cat
All caged up in a zoo"

First of all I would like to thank my mother for all of her support and for helping me find Hoosac. I would like to thank my father for not giving up on me and standing by my side and for funding my stay here. They both bent over backwards for me when I didn't really deserve it, I will always remember them for that. I would also like to thank Mary Smith for being my mother away from home and if she were 30 years younger I'd marry her. I'd also like to thank Rich Groter for putting my faith into this school and for getting me here. I'd like to leave my Best Brooklyn Buddy Berman some hair, a dead water wat, and a big, bustin out, block party.
